ADVANCING WELLNESS AND RESILIENCY IN EDUCATION:

Integrating School Mental Health to Support the Whole Child

You are Invited

The 6th Advancing Behavioral Health Collaboration (ABC) Annual Summit will be held virtually. Presentations will focus on ways to elevate and integrate school mental health and wellness to support the whole child by advancing school mental health practices and strengthening community partnerships. Exemplars from across the state will showcase best practices, share insights and provide resources for local implementation.

Who should attend? Participation is encouraged for professionals working in education service centers, local education agencies, state agencies and community organizations who desire to support schools, learn from colleagues, and strengthen student mental health in Texas. Please join us!
