HB 19 has successfully collaborated with:

- Special Education- Road to Recovery & TEDD
- School Safety -Substance Use Awareness & Suicide Prevention, School Safety Conferences
- Counselor Team- Counselor
 Connection, School Counselor
 Collaboratives, Trauma Sensitive
 Schools, etc...

Districts Reached

63 Districts Reached2 Statewide Conferences3 Regional Conferences

Community Resources

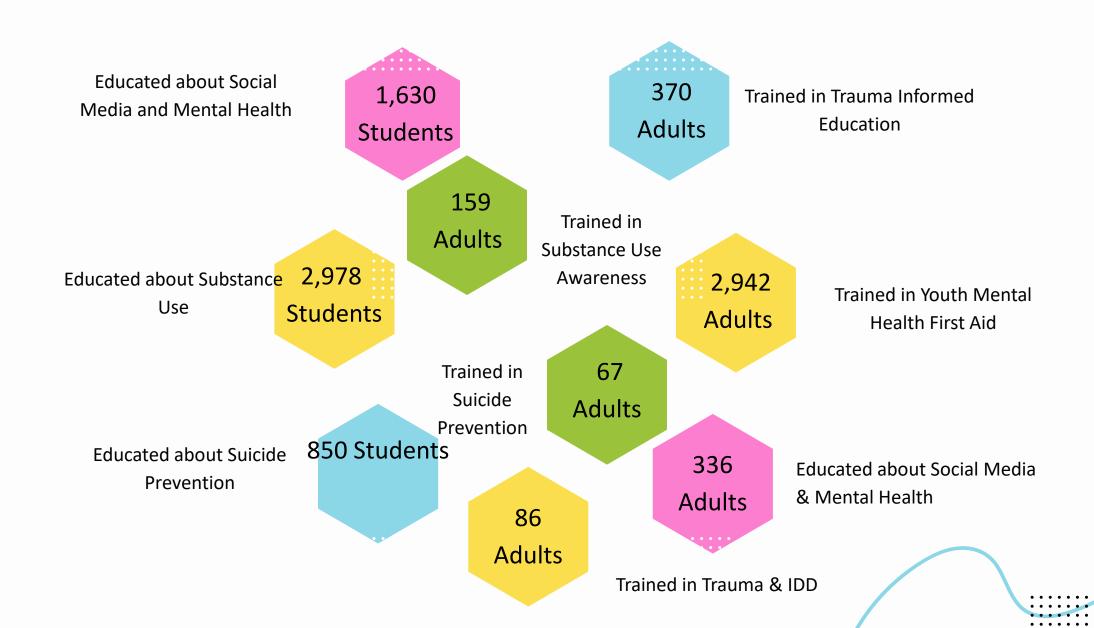

- Community Resource
 Symposium
- LMHA representatives
- Over 20 Organizations
- Meaningful connections

Regional Crisis Team

- Contribute Resources
- Create connections with LMHA
- Increase in district use of the Regional Crisis team

2022 STATISTICS

HB 19 FEEDBACK

On a scale of 1-5, how accessible is your HB19
Mental Health Outreach
Specialist? (easy to reach, or schedule with)

76% Always Accessibl e 100% Yes

As a result of the HB19 Mental Health Outreach Specialist, do you feel your relationship/use of ESC 6 services has improved/increased?

As a result of the HB19 Mental Health Outreach Specialist, has your accessibility to your LMHA improved? (ability to connect with appropriate departments, ability to connect families with services, get questions answered, etc...)

82% Yes

10 Districts

24 Responses

78% Yes

As a result of the HB19 Mental Health Outreach Specialist, has your understanding of your LMHA changed? (services available, how to access services, etc...)

HB 19 FEEDBACK

- The information that is shared with us through newsletter, emails, and flyers has made it simpler to find the resources I need.
- Absolutely, This is a valuable position.
- I'm very comfortable reaching out for help.
- When she finds resources that applies to my campus she helps connect us and will help walk us through the process so that we can bring programs on to our campus for our kids.
- The LMHA specialist has gone out of her way to assist us with crisis situations and ongoing support. I am pleased!
- I am more comfortable reaching out.
- Information on how to select services for individuals is easier to use.
- I have a valuable contact for information and assistance.

CHALLENGES

HB19 is paid by and supervised by the LMHA while officing at the ESC-possibly different expectations, different schedules, etc..

Overlap

HB19 responsibilities and expectations overlap with some other departments.

For example, Title IV Safety also covers Substance Use topics and Suicide Prevention.

Quasi-Employee

Because we are not technically employees at the ESC:

- Do we have an ESC email?
- How do we get an employee number for printing, etc..

- Can we have access to ESC works?
- What staff meetings should we attend?
- Should HB19 check in with someone at the ESC?

SOLUTIONS

Collaboration

I have been able to collaborate with other departments when our subject matter overlaps. As often as possible I partner with my counseling team, the SPED department, and the safety education departments.

ESC Email

Allowing me to have an ESC email address insures that my emails out do not get sent to spam and are seen as a trusted source. It also insures that I am kept in the loop of ESC wide news and information. It also allows me to easily collaborate on projects with other ESC Employees.

Communication

I share my calendar so anyone can see it. I also created a chart on my office door that tells people where I am (ex. Out in a district, Vacation, In a Training, etc..)

GreaterGood

Whenever we are discussing how to collaborate, responsibilities, budgets, etc... we always consider what is going to serve the school district and students best. Having that common goal points us in the same direction.

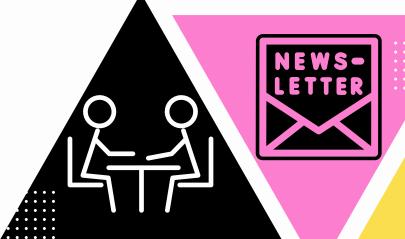

IDEAS THAT LEAD TO SUCCESS

MONTHLY NEWSLETTER

Having a themed monthly newsletter with valuable, ready to use resources has created a following. (Avg. 600 views)

PARENT NIGHTS

Encourage the school to schedule parent night presentations on the same night as something else important (Christmas Play)

FACE TO FACE CONTACTS

Any opportunity to meet someone in person is valuable and yields more interaction.

USED CAR SALES APPROACH

I will go to a staff meeting for 10 minutes, 30 minutes, 1 hour. I will present at a parent night for 15 minutes. I will do an entire day of classroom style presentations. Whatever that district or campus needs.

FOLLOW THROUGH

No matter what resource is asked for or what problem is brought to me, I make sure that I not only follow up with reliable resources, but I make sure they have a specific name and number to call to resolve their issue.

Thankyou

THROUGH THE YEARS

Celebrating 32 Years of Collaboration

SCAN & LISD Overview

Serving Children and Adults in Need (SCAN), Inc., Laredo, Texas

SCAN is a non-profit social services organization with a 40-year history of providing evidence-based prevention, intervention, treatment, and recovery support services to children, adolescents, adults, and families.

Laredo Independent School District (LISD), Laredo, Texas

- LISD was established in 1882 and has a yearly average of 25,000 enrolled students and over 4,500 employees striving for academic excellence. It has 20 elementary, 4 middle, and 3 comprehensive high schools, as well as several early college and specialty schools.
- •The City of Laredo (population 256,153) is in Webb County (population 267,945). Webb County is situated on the border with Mexico in South Texas. Laredo is approximately 150 miles from San Antonio and Corpus Christi.

Collaboration

- Part One: 1991 2010
- ▶ 1991 *Services to At-Risk (STAR) Youth Program
- ▶ 1993 Students Taking Action Negating Drugs (STAND) Intervention Program
 *Students Taking Action Negating Drugs (STAND) Outpatient Program
- ▶ 1996 Parents and Children Together (PACT) Drug Prevention Program
- ▶ 1999 *Webb County Community Coalition (WCCC)
- 2001 Futuros Saludables (Healthy Futures) Health Risk Prevention Program
- 2004 Juntos Podemos (Together We Can) Advocacy Skills Training Program Substance Abuse & HIV Prevention Program

^{*}Programs in bold are still in existence

Collaboration (continued)

- 2005 *Border Traumatic Stress Response Center
 Fetal Alcohol Spectrum Disorders Prevention Program
- ▶ 2007 Futuros Saludables Peer-to-Peer Recovery Services Program
- 2010 Mentoring Children of Prisoners Program
- Part Two: 2011 2022
- ➤ SCAN has been providing services to LISD students and their parents/guardians through numerous evidence-based programs including drug prevention programs, an outpatient treatment program, a youth recovery support services program, a mental health services program, a runaway and homeless youth program, and a child abuse prevention program.

Collaboration (continued)

- Part Three: 2023 and Beyond
- ➤ SCAN and LISD recently collaborated to complete and submit a funding application for a SAMHSA Project AWARE Grant for 2023, which is designed to develop a sustainable infrastructure for school-based mental health services.
- As problems and trends in behavioral health emerge in the community, SCAN and LISD will continue to collaborate to obtain funding to ensure that evidence-based services are available to meet the comprehensive needs of students and their families.

MENTAL HEALTH MATTERS

2021-2022 Mental Health Training Opportunities

Spreading Mental Health Awareness Across the RGV:

Any educational staff working with school age children would benefit from recognizing signs of developing mental health concerns. Therefore, the Region One Educational Service Center will be providing training opportunities on awareness and management of mental health crises, including the risk of suicide and self-harm. These trainings will also address the relationship between mental health, substance abuse, and other negative coping behaviors, as well as the negative impact of stigma and cultural attitudes toward mental illness.

OCTOBER IS NATIONAL BULLYING PREVENTION MONTH

Bullying can affect everyone—those who are bullied, those who bully, and those who witness bullying. Bullying is linked to many negative outcomes including impacts on mental health, substance use, and suicide.

Our partners at David's Legacy Foundation will be conducting a webinar. Participants will obtain an increased awareness of bullying and cyberbullying. This community issue is the responsibility of everyone.

David's Legacy Foundation is a non-profit organization whose mission is to eliminate cyberbullying and bullying, of children and teens, through education, legislation, and legal action. David's Legacy fulfills their mission through **PEACE**:

Protecting children and teens from all types of bullying
Educating communities about the harmful effects of cyber abuse
Advocating for families in crisis, facilitating legal assistance through pro-bono lawyers
Celebrating student-driven anti-bullying, kindness and inclusion initiatives
Empowering young people to practice digital empathy and self-care.

Register for the webinar here: Workshop # 254245

8:30 a.m. - 4:00 p.m. Region One ESC Conference Center 1900 W. Schunior, Edinburg, TX 78541

\$50.00 registration fee

includes an annual subscription to online courses, and book, "The Power of a Teacher"

6 CPE Hours Available

Workshop # 237398

Register at www.esc1.net/staffdevelopment

As you kick off a new school year, be sure to keep your health and wellness in check!

Join us for a day-long event designed to encourage, celebrate, and launch you into the 2022-2023 school year equipped with emotional intelligence skills to support your journey as an educator.

This workshop will increase participants' capacity for emotional intelligence through self-awareness, self-regulation, empathy, and interpersonal skills.

Walk away invigorated with a fresh perspective and prepared to live out your calling with mindful passion!

Intended Audience:

Teachers, School Counselors, Wellness Specialists, School Nurses, LPCs, LSSPs, Social Workers, Administrators, and Directors of Student Support Services

Participants Will Receive:

In addition to engaging in session discussions, all participants will gain annual access to the online course companion and virtual access to resources throughout the school year, PLUS, a copy of "The Power of a Teacher".

About Your Presenter

Adam Saenz, Ph.D, earned his Ph.D. in School Psychology from Texas A&M University as a U.S. Department of Education doctoral fellow.

Saenz is also a TEDx Yale and the author of the best selling book, *The Power of a Teacher*, and his education blog has beer featured on the front page of

The Huffington Post. He also authored *Relationships That Work* with Jeremy Dew, L.P.C., a colleague in his clinical practice.

Adam is also the developer of the Educator Assessment of Social and Emotional Learning (EASEL), a measure of personality and emotional intelligence that is central to the work and curriculum associated with his book *The EQ Intervention*.
