

Postpartum Depression Diagnosis and Treatment in the Black Community x

June 2, 2022 | Health Equity Webinar Series x

DETAILS & LOGISTICS

Time: 12:00pm—1:00pm EDT

Where: Virtual (*Zoom webinar*)

COURSE DESCRIPTION

This webinar will define postpartum blues, depression, obsessive compulsive disorder and psychosis. In addition, this presentation will identify signs, symptoms and discuss appropriate treatment options.

OBJECTIVES

- Define postpartum blues, depression, obsessive compulsive disorder (OCD) and psychosis
- Identify the signs and symptoms for postpartum blues, depression, OCD and psychosis
- Discuss pharmacological and non-pharmacologic treatment for postpartum blues, depression, OCD and psychosis

WHO SHOULD ATTEND?

Mental health professionals, mental health advocates and others who work on behalf of adults with mental illness

Certificates of attendance will be available to viewers of 50% (30 minutes) or more of the live webinar via email within 30 business days following the event. CEUs are not available for this session.

This webinar will be recorded and archived on the Central East MHTTC website

SPEAKER:

Dr. Topaz Sampson-Mills is double board certified in Forensic and Adult Psychiatry. She received her Bachelor of Science from Spelman College. Thereafter she completed medical school at Wright State University Boonshoft School of Medicine.

Dr. Sampson-Mills was chief resident at the Menninger Department of Behavioral Sciences, where she completed her psychiatry residency. She completed her forensic psychiatry fellowship training at the State University of New York (SUNY) Upstate Medical University. While in fellowship, Dr. Sampson-Mills testified as an expert witness in several cases in New York State. In the fall of 2022, she will commence her role as Staff Psychiatrist at the Menninger Clinic and Assistant Professor of Psychiatry at Baylor College of Medicine.

HOST: Annette Primm, M.D., MPH is the Senior Medical Director of the Steve Fund, an organization focused on the mental health of young people of color. She is also a member of the Black Psychiatrists of America Council of Elders.
