Promoting Access to Telemental Health (PATH) Team

Sample of Home-based follow header for CVT Appointment

CVT. Appointment was conducted via telemental health/clinical video teleconferencing (CVT).

Veteran has been informed of and verbally consented to the following:

1. The nature of telemental health and its benefits and risks
2. Confidentiality and its limits
3. The emergency plan (see below for details)
4. <Insert clinic specific information here or delete if not necessary>

EMERGENCY PLAN

In the event of an emergency, provider may:

- As available (e.g., CBOC, shelter) and appropriate, attempt to alert on-site staff to the situation so that they can initiate the existing on-site emergency protocol.
- Call 9-911 (911 from CBOC) and ask to be connected to emergency services for the location of the emergency.
- In the event of an emergency, provider may call the e911 center at 267-908-6605 to speak with an agent who will facilitate contact with a 911 operator at the patient's location. Provider must be able to identify the patient's physical location. The e911 contact number is accessible and staffed 24/7/365.
