The background of the slide features a scenic coastal view. On the left, a lighthouse with a red and white striped tower and a red lantern room stands on a grassy hill. To its right is a large, two-story white house with a red roof and several windows. The ocean is visible in the distance under a clear blue sky.

New England MHTTC

Mission

To use evidence-based means to disseminate evidence-based practices across the New England region.

Area of Focus

Recovery-Oriented Practices, including Recovery Support Services, within the Context of Recovery-Oriented Systems of Care.

Ensuring Inclusion

To ensure the responsiveness of our work, we will actively develop and maintain a network of government officials, policy makers, system leaders, administrators, community stakeholders, providers, researchers, youth and adults, and family members from each of the six states to guide the New England MHTTC's activities.
