Get to know the Zoom Webinar interface

The screenshot shows the Zoom Webinar interface with the following components and annotations:

- Header:** "Zoom Webinar" title bar, "You are viewing David Terry's screen", and "View Options" dropdown.
- Main Content Area:** Displays the TTC logo, "Technology Transfer Centers", and the text "Thank you for joining us today!" and "You will not be on video during today's session".
- Question and Answer Panel:** A floating window with tabs for "All questions (1)" and "My questions (1)". It shows a test question: "This is a test question!" with a timestamp "You 07:35 AM". Annotations explain that users can switch between questions and use the Q&A feature to ask questions of the host and presenters.
- Zoom Webinar Chat:** A side panel for chat. Annotations explain that the chat feature allows users to talk with other people and that the "To" field indicates who will receive the message.
- Bottom Bar:** Contains icons for "Audio Settings", "Chat", "Raise Hand", and "Q&A". Annotations point to these icons with instructions: "Click Here to adjust your audio settings", "Click here to leave the session", and "Leave".
- Audio Settings Menu:** A dropdown menu showing options: "Select a Speaker", "Speakers (Realtek(R) Audio)", "Same as System", "Test Speaker & Microphone...", "Leave Computer Audio", and "Audio Settings...".
