Emerging Stronger and More Resilient: Learning from the COVID 19 Crisis

Time: 9:00 am- 4:00 pm EST

August 31- September 1, 2021

Virtual (Online Via Zoom)

The Northeast & Caribbean Mental Health Technology Transfer Center will present this 2- Day Virtual Conference designed for K-12 educators and staff. This conference will highlight the voices of students and their thoughts about mental health and how schools can best support students. Additional sessions will focus on strategies to support student and educator wellness as we transition back to school. Topics will include trauma-informed approaches, addressing grief, transitioning back to school, strengthening partnerships with family and community, and staff self-care.

Attendance at the conference can be used toward your professional development hours. Certificates of Attendance will be provided.

After registering, you will receive a link to our conference website to access the direct Zoom webinar links to join each workshop session of the conference.
