FREE ONLINE COURSES!

HealtheKnowledge.org offers high-quality, on-demand, or instructor-led courses that are open to the public. The goals of our free online courses are to:

- Expedite the adoption and implementation of evidence-based practices for mental health prevention, treatment, and recovery services
- Increase awareness, knowledge, and skills of the mental health workforce
- Provide free, accessible training and technical assistance

Unfamiliar with HealtheKnowledge? Here's a [how-to guide](#) to help you set up your account.
