

Webinar Series – Sexual Minority and Gender Diversity

Meeting the Behavioral Health Needs of Sexual Minorities

This webinar will focus on the unique needs facing individuals who identify as a sexual minority, such as increased rates of mental health symptoms, substance abuse and suicide along with effective services for this population.

Part 1: **Wednesday, June 12, 2019** Noon to 1:30 pm ET

Part 2: **Wednesday, June 26, 2019** Noon to 1:30 pm ET

A sexual minority is an individual who identifies with a sexual identity other than heterosexuality.
