

COMING HOME to PRIMARY CARE

Pediatric Integrated Health

Ready to Hit the Pavement: How to Dive Into Primary Care

12-1 p.m. CT Friday, Sept. 25, 2020

This session will present ways to introduce an organization, practice, and/or primary care physician to integrated behavioral health. Speakers will advocate utilizing successful strategies and lessons learned when establishing an integrated care practice.

Learning Objectives:

- Describe tools/rubrics available to assist with assessing an organization's ability to integrate behavioral health services
- Describe strategies for initiating conversations with the team about integrating behavioral health in primary care settings
- Identify business models for integrated care
- Describe different approaches to initiating and maintaining behavioral health in primary care

Continuing
Education Credits
+ Certificates
of Completion
AVAILABLE!

Target Audience:

Behavioral health providers (psychologists, masters level counselors, social workers etc.), primary care providers (physicians, NPs, PAs) and Nurses (RNs).
