# Communicating About School Mental Health

**Friday, February 18 | 3:30- 5:00pm ET**

Communication 101 for School Mental Health:  
Engaging Adults on Campus Who Do Not Have a  
Mental Health Background

**Register at this [link](#)**

## Speaker

**Christina Borbely PhD**

## Learning Objectives

Participants will be able to:

1. Identify language that is effective and accessible in conveying key concepts about children's mental health.
2. Recognize how to navigate around communication pitfalls.
3. Use tools and resources to guide communication that increases awareness, builds knowledge, and engages school mental health stakeholders and partners on campus.
