

Communities of Practice in Leadership: Workforce Innovations- Social Impact and Remote Working

Disclaimer and Funding Statement

This presentation was prepared for the Mid-America Addiction Technology Center (Mid-America ATTC), Mid-America Mental Health Technology Transfer Center (Mid-America MHTTC), and the Mid-America Prevention Technology Transfer Center (Mid-America PTTC) under a cooperative agreement from the Substance Abuse and Mental Health Services Administration (SAMHSA). All materials appearing in this presentation, except those taken directly from copyrighted sources, are in the public domain and may be reproduced or copied without permission from SAMHSA or the authors. Citation of the source is appreciated. Do not reproduce or distribute this presentation for a fee without specific, written authorization.

At the time of this presentation, Miriam E. Delphin-Rittmon, Ph.D., serves as Assistant Secretary for Mental Health and Substance Use and Administrator of SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services or SAMHSA; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

Language Matters!

The MHTTC Network uses affirming, respectful and recovery-oriented language in all activities. That language is:

STRENGTHS-BASED
AND HOPEFUL

INCLUSIVE AND
ACCEPTING OF
DIVERSE CULTURES,
GENDERS,
PERSPECTIVES,
AND EXPERIENCES

HEALING-CENTERED/
TRAUMA-RESPONSIVE

INVITING TO INDIVIDUALS
PARTICIPATING IN THEIR
OWN JOURNEYS

PERSON-FIRST AND
FREE OF LABELS

NON-JUDGMENTAL AND
AVOIDING ASSUMPTIONS

RESPECTFUL, CLEAR
AND UNDERSTANDABLE

CONSISTENT WITH
OUR ACTIONS,
POLICIES, AND PRODUCTS

The use of affirming language inspires hope and advances recovery.

LANGUAGE MATTERS.

Words have power.

PEOPLE FIRST.

The ATTC Network uses affirming language to promote the promises of recovery by advancing evidence-based and culturally informed practices.

The use of affirming language inspires hope.

LANGUAGE MATTERS.

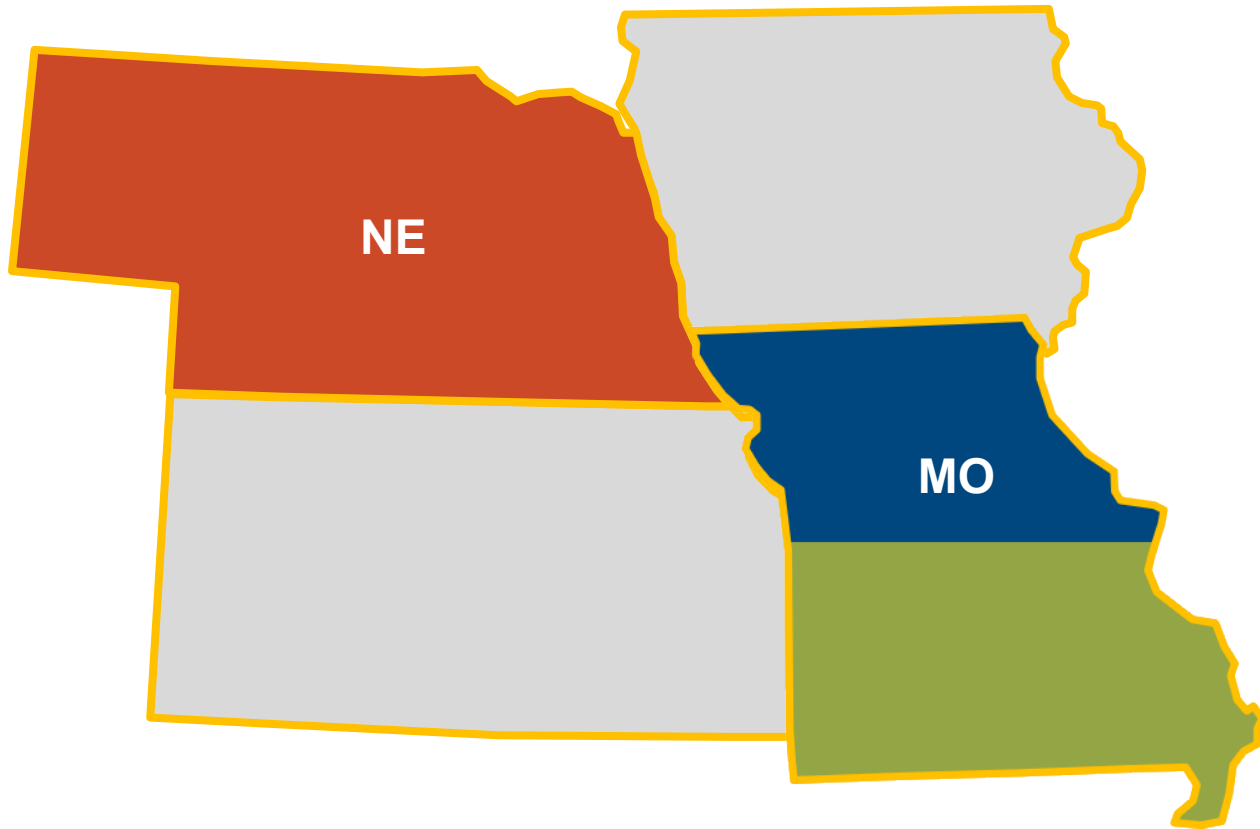

Words have power.

PEOPLE FIRST.

The PTTC Network uses affirming language to promote the application of evidence-based and culturally informed practices.

Region 7 Technology Transfer Centers

The purpose of the Technology Transfer Centers (TTC) program is to ***develop and strengthen the specialized behavioral healthcare and primary healthcare workforce*** that provides substance use disorder (SUD) and mental health prevention, treatment, and recovery support services.

Help people and organizations incorporate ***effective practices*** into substance use and mental health disorder prevention, treatment and recovery services.

Housekeeping Items

- Slides will be emailed out after the webinar
- Presenter is available until July 14th to answer questions about the presentation at JonathanL@bbbsc.org

Agenda

- Introduction 12:00-12:05pm CST
- Johnathan Liebert presents 12:05-12:35pm CST
- Discussion 12:35pm-1pm

The structure of each session is in the format of a focused conversation which allows each member of the group to actively participate and engage. There will be a 30-minute lecture, followed by 30 minutes of discussion. Selected presenters have also offered to be available to answer questions from attendees for up to one month after their session.

Today's Facilitator

- **Jonathan Liebert**
- CEO and Cofounder of the National Institute for Social Impact (NI4SI)
