

Tele-Behavioral Health Consultation (TBHC) Primary Webinar Series: *What You Need to Know About Section 504 Plans*

ACTIVITY DESCRIPTION

Do you have an individual with an intellectual or developmental disability in your practice? What is the difference between a 504 plan and an Individual Education Plan (IEP)? How do I best support these individuals and their families? Often providers are unaware of the benefits of 504 plans. Please join us to learn more about what a 504 plan is and how you can be an important resource for these individuals and families.

TARGET AUDIENCE

This accredited continuing education activity is designed for primary care providers: physicians, physician assistants, and nurse practitioners in Nebraska.

EDUCATIONAL OBJECTIVES

At the conclusion of this enduring material, the participants should be better able to:

1. Explain what a 504 Plan is and why it is important
2. Discuss who is eligible for a 504 Plan
3. Identify the role of the physician, the individual and the school
4. Recognize ways to support individuals and families when eligible for a 504 Plan

METHOD OF PARTICIPATION

Release Date: 7/17/2023

Expiration Date: 7/16/2024

CID: 60168

The estimated time to complete this enduring material is **45** minutes.

In order to receive continuing education credits, you must complete these steps prior to the activity expiration date:

1. View the entire presentation.
2. Sign into your account or create one www.unmc.edu/cce under **MyCCE Portal**
3. On your dashboard, Click **Evaluate an Activity**
4. Enter Activity Code **60168**
5. Complete the post-test with a score of 80% or better
6. Complete the online evaluation.

Your certificate will be saved in your UNMC CCE Account portal under **Certificates & Transcripts**.

University of Nebraska Medical Center

ACCREDITED CONTINUING EDUCATION

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

PHYSICIANS/PHYSICIAN ASSISTANTS

The University of Nebraska Medical Center designates this enduring material for a maximum of 0.75 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES/NURSE PRACTITIONERS

The University of Nebraska Medical Center designates this activity for 0.75 ANCC contact hour. Nurses should only claim credit for the actual time spent participating in the activity.

DISCLOSURE DECLARATION

As a jointly accredited provider, the University of Nebraska Medical Center (UNMC) ensures accuracy, balance, objectivity, independence, and scientific rigor in its educational activities and is committed to protecting learners from promotion, marketing, and commercial bias. Faculty (authors, presenters, speakers) are encouraged to provide a balanced view of therapeutic options by utilizing either generic names or other options available when utilizing trade names to ensure impartiality.

All faculty, planners, and others in a position to control continuing education content participating in a UNMC accredited activity are required to disclose all financial relationships with ineligible companies. As defined by the Standards for Integrity and Independence in Accredited Continuing Education, ineligible companies are organizations whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. The accredited provider is responsible for mitigating relevant financial relationships in accredited continuing education. Disclosure of these commitments and/or relationships is included in these activity materials so that participants may formulate their own judgments in interpreting its content and evaluating its recommendations.

This activity may include presentations in which faculty may discuss off-label and/or investigational use of pharmaceuticals or instruments not yet FDA-approved. Participants should note that the use of products outside currently FDA-approved labeling should be considered experimental and are advised to consult current prescribing information for FDA-approved indications.

All materials are included with the permission of the faculty. The opinions expressed are those of the faculty and are not to be construed as those of UNMC.

DISCLOSURES

The accredited provider has mitigated and is disclosing identified relevant financial relationships for the following faculty, planners, and others in control of content prior to assuming their roles:

FACULTY

The below faculty have nothing to disclose:

Kristin Mayleben-Flott
Graciela Sharif
