Disclaimer

This presentation was prepared for the MHTTC Network under a cooperative agreement from the Substance Abuse and Mental Health Services Administration (SAMHSA). All material appearing in this presentation, except that taken directly from copyrighted sources, is in the public domain and may be reproduced or copied without permission from SAMHSA or the authors. Citation of the source is appreciated. Do not reproduce or distribute this presentation for a fee without specific, written authorization from the MHTTC Network Coordinating Office. This presentation will be recorded and posted on our website.

At the time of this publication, Miriam Delphin-Rittmon served as Assistant Secretary for Mental Health and Substance Use and Administrator of SAMHSA. The opinions expressed herein are the views of the speakers and do not reflect the official position of the Department of Health and Human Services (DHHS), or SAMHSA. No official support or endorsement of DHHS, SAMHSA, for the opinions described in this presentation is intended or should be inferred.

This work is supported by grants under Funding Opportunity Announcement (FOA) No. SM-18-015 from the DHHS, SAMHSA.

The MHTTC Network uses affirming, respectful and recovery-oriented language in all activities. That language is:

STRENGTHS-BASED
AND HOPEFUL

INCLUSIVE AND
ACCEPTING OF
DIVERSE CULTURES,
GENDERS,
PERSPECTIVES,
AND EXPERIENCES

HEALING-CENTERED/
TRAUMA-RESPONSIVE

INVITING TO INDIVIDUALS
PARTICIPATING IN THEIR
OWN JOURNEYS

PERSON-FIRST AND
FREE OF LABELS

NON-JUDGMENTAL AND
AVOIDING ASSUMPTIONS

RESPECTFUL, CLEAR
AND UNDERSTANDABLE

CONSISTENT WITH
OUR ACTIONS,
POLICIES, AND PRODUCTS

CLAS standards

- Improve quality of services provided to all individuals
- Reduce health disparities
- Achieve health equity

- Respect the whole individual
- Respond to individual health needs and preferences

*We have become not a melting pot but a beautiful mosaic.
Different people, different beliefs, different yearnings, different
hopes, different dreams.*

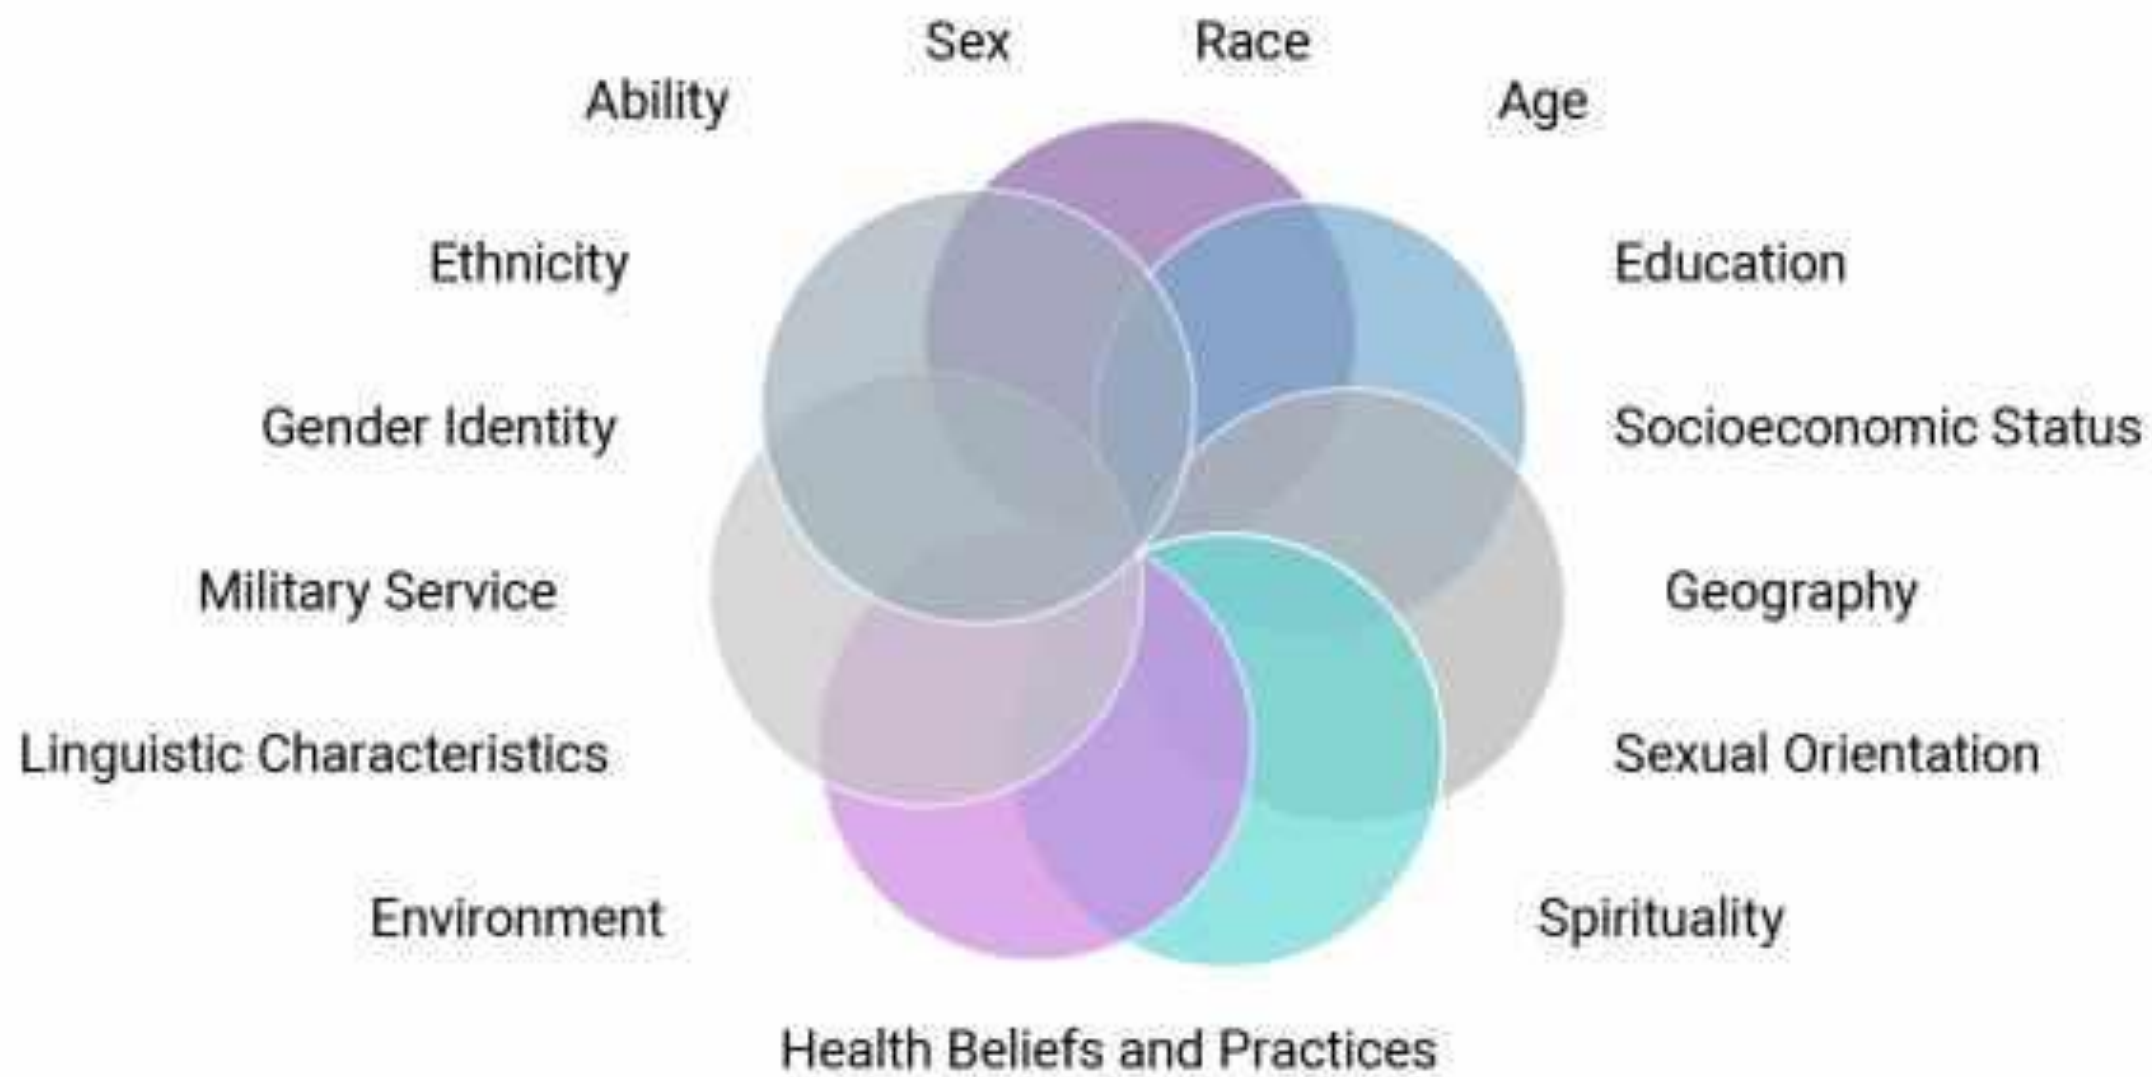

Jimmy Carter

I am....

Write one word
to describe
who you are.

Describe
yourself using
seven words.

Privilege:

an advantage that only one person or group of people has, usually because of their position or because they are rich

| Check your group | Privileged group | Identities | Marginalized Group |
|------------------|--|--|---|
| | Late 30's to 50's/early 60's | 1. Age | Younger, older |
| | White | 2. Race | Person of color; people who identify as biracial/multiracial |
| | Male | 3. Sex | Female, intersex |
| | Cisgender | 4. Gender identity | Transgender; Gender Nonconforming; Gender Queer; Androgynous |
| | President, Vice President, Dean, Director, faculty | 5. Hierarchical Level | Students; Graduate Teaching Assistants; direct service staff |
| | Heterosexual | 6. Sexual Orientation | Gay, Lesbian, Queer, Bisexual, Questioning |
| | Upper class, Upper middle class, Middle class | 7. Social Class | Working class; Living in poverty |
| | Graduate or 4+ year degree; highly valued school; private school | 8. Educational Level/Credentials/Certificata | College; less valued school; public school |
| | Christian (Protestant, Catholic) | 9. Religion/Spirituality | Muslim, Jewish, Agnostic, Hindu, Atheist, Buddhist, Spiritual, LDS, Jehovah Witnesses, Pagan... |
| | U.S. Born | 10. National Origin | "Foreign born" born in a country other than the US |
| | Not disabled | 11. Disability status | People with a physical, mental, emotional and/or learning disability; People living with AIDS/HIV |
| | "American" Western European heritage | 12. Ethnicity/Culture | Puerto Rican, Navajo, Mexican, Nigerian, Chinese, Korean, Russian, Jewish... |
| | Fit society's image of attractive, beautiful, handsome | 13. Size, Appearance, Athleticism | Perceived by others as too fat, tall, short, unattractive, not athletic |
| | Proficient in the use of "standard" English | 14. English literacy | Use of "non-standard" English dialects; have an "accent" |
| | Legally married in a heterosexual relationship | 15. Marital status | Single, divorced/ widowed, same sex partnership, unmarried heterosexual partnerships... |
| | Parent of children born within a 2-parent heterosexual marriage | 16. Parental status | Unmarried parent; do not have children; non-residential parent; LGBTQ parents... |
| | More years on campus | 17. Years of experience | New, little experience on campus |
| | U.S. citizen | 18. Immigration status | People who do not have U.S. citizenship, are undocumented |
| | Suburban, valued region of U.S. | 19. Geographic Region | Rural; some urban areas; less valued areas... |
| | Light skin; European/Caucasian features | 20. Skin color phenotype | Darker skin; African, Asian, Aboriginal features... |
| | Nuclear family with two parents in a heterosexual relationship | 21. Family Status | Blended family; single-parent household; grandparents raising grandchildren; foster family... |
| | Extrovert; task-oriented; analytical; linear thinker | 22. Work style | Introvert; process-oriented, creative, circular thinker |

Privilege survey

- Take a few minutes to read through the material and place a check in the row if this statement can describe you.
- Were you surprised by any of the results?

Marginalized groups

- Immigrants, refugees and migrants
- Women and girls
- Survivors of human trafficking
- Mentally ill
- Children and youth
- People of differing sexual orientation
- Senior citizens
- Racial/cultural minorities
- Military combat veterans
- Persons of below average intelligence
- Hearing, visually, and physically challenged persons
- Gamblers and those who abuse substances
- Gifted and talented persons
- Persons living in poverty
- Sex offenders
- The unhoused
- Felons
- Others?

Cultural Formulation Interview (CFI)

Structured interview protocol that helps the provider gather information essential to produce a cultural formulation of significant mental health experiences

Ask open ended questions to piece together how their client's culture may inform their symptom presentation and their experience of their condition

Cultural Formulation Interview (CFI)

Techniques as a Provider

- Education
 - Recognize Bias, Cultural humility
- Policy changes
- Leadership trained in strategies
 - Trauma informed care
- Infrastructure
 - Location, Safety/security, lighting, common areas

Office of Behavioral Health Equity

- Organized by key strategies
 - Data strategy
 - Policy strategy
 - Quality practice and workforce development strategy
 - Communication strategy

Office of Minority Health

Contains information on

- Population Profiles
- Cultural Competency (including CLAS standards guide)
- Knowledge Database

Providing Culturally Responsive Care and Addressing Cross-Cultural Barriers in Early Psychosis

Click the image to open the full brief.

This clinical brief is intended to introduce mental health providers to the current understanding of culturally responsive care in early psychosis by providing an overview of culturally responsive tools and models for early psychosis (EP) care and highlighting the need for the continued development of a culturally responsive care (CRC) model within EP care.

What do we mean by culture?

Culture refers to systems of knowledge, concepts, rules, and practices that are learned and transmitted across generations. Culture includes language, religion and spirituality, family structures, life cycle stages, ceremonial rituals, and customs, as well as moral and legal systems. Cultures are open, dynamic systems that undergo continuous change over time; in the contemporary world, most individuals and groups are exposed to multiple cultures, which they use to fashion their own identities and make sense of experience (APA, 2022).
