

South Southwest (HHS Region 6)

MHTTC

Mental Health Technology Transfer Center Network
Funded by Substance Abuse and Mental Health Services Administration

YEAR 5 HIGHLIGHTS ANNUAL REPORT OVERVIEW

OUR MISSION

The South Southwest MHTTC serves U.S. Department of Health and Human Services Region 6, including Arkansas, Louisiana, New Mexico, Oklahoma, and Texas. Our population of focus is mental health clinicians, supervisors, and program managers serving individuals with or at risk of serious emotional disturbances (SED) or severe mental illness (SMI); peer support providers; community mental health, health, or peer-run organizations; and single state agency administrators focused on comprehensive state public mental health systems.

NEW CURRICULUM SPOTLIGHT

BUILDING A PRACTICE TO SUPPORT EDUCATOR WELLNESS & TRAUMA-INFORMED CLASSROOMS AND CAMPUSES

This training was developed to support Local Education Agencies to meet requirements in Texas Education Code for implementation of trauma-informed practices and care by district and campus staff (TEC Sec. 38.036). The curriculum includes two parts focused on (a) educator wellness and (b) trauma-informed classrooms and campuses.

Building a Practice to Support Educator Wellness and Trauma-Informed Classrooms and Campuses Training
