

Created by the National Family Support Technical Assistance Center in partnership with Boston University's Center for Psychiatric Rehabilitation

**NEW**

# FREE FAMILY PARTNERSHIP MODULE

- Designed to strengthen person-centered partnerships between families and behavioral health providers
- Complete the 6-lesson, self-paced, online module for free and receive a certificate of completion for 6 hours of professional development
- Provider education programs and professional organizations are invited to link to this module on their websites and share it widely with their networks

## What is The FAMILY APPROACH?

The **FAMILY Approach** is a framework to strengthen core skills, tools, and practices for **person-centered family partnerships**. “FAMILY” is an acronym for the first letter of each of the module’s 6 lessons. Each represents a critical area of partnership, applicable across ALL behavioral health settings. **They are:**

- **Lesson 1:** Facing Personal and Professional Attitudes
- **Lesson 2:** Acknowledging Family Identities and Expertise
- **Lesson 3:** Making Meaningful Partnerships
- **Lesson 4:** Identifying Solutions to Conflict
- **Lesson 5:** “Letting Go” to Support
- **Lesson 6:** Yielding to Outside Resources
